Subject: Equipment Rental Extension Request - Niagara Falls Boulevard Assessment Site

Eric,

RST 3 is requesting your concurrence for the up to two week and one day rental extension (6/16/2016 through 6/30/2016) of three DustTracks, three tripods with DustTrack enclosures, three netronics wireless setups, and one 12 volt marine battery to be utilized during the Removal Assessment at the Niagara Falls Boulevard Radiological Assessment Site under TDD No. TO-0006-0061. This equipment rental extension will get us through the current contract year which ends on June 30, 2016. Starting on July 1, 2016, Contract Year 3 labor TDDs will be issued at which time we will need to create new equipment rental TDDs to be associated with those new labor TDDs. If you agree with this rental extension request, please email Shawna Hoppe and myself so TDD No. TO-0006-0233 can be amended in the amount of \$1,790.11. If you have any questions please let me know.

Thanks,

Timothy Benton, CHMM
